

# Program Overview (3 year average) - BCIT Apprenticeship Student Outcomes

## Sheet Metal Apprentice\_4365\_APPR

### Employment Outcomes

#### Employment Rate

Those who responded were working in labour market.

#### Average hourly wage of those in training related job (main job)

**\$32**

#### Survey Year

2021 2022 2023

#### Last Level Completers

	2020	2021	2022
Eligible Students			112
Respondents			52
Response Rate			46%

### How long did it take you to find a job in your trade after you finished your training?

### Education Outcomes

**94%**

of graduates were satisfied with their education

#### Aspects of Program

Quality of Instruction rated very good, good, or adequate

#### Aspects of Courses

Covering topics relevant to field rated very good or good

Please note results are from previous graduating years and are subject to industry and occupational trends.

When assessing a program, please consider researching other programs within the Post-Secondary Sector, reaching out to those within that industry and connecting with current students in the selected program.

NOTE: All percentages are rounded to whole numbers.

## Student Outcomes Reporting System (SORS)

### This report was run by:

British Columbia Institute of Technology

### This report was run on:

10/18/2023

### This report shows data from:

Survey name: BC Apprenticeship Student Outcomes Survey (APPSO)

Survey year(s): 2021, 2022, 2023

Results are from previous years **2020 - 2022 last level completers** and are subject to industry and occupational trends

### About the APPSO survey:

\*The TRADES Student Outcomes data release replaces the previous data release for the Apprenticeship Student Outcomes Survey; this survey is conducted annually from January to May. The eligible cohort for the APPSO survey consists of former apprenticeship students who have completed the final level of their technical training, with funding from the ministry responsible for post-secondary education, Skills and Training, the Industry Training Authority (ITA), and B.C.'s public post-secondary institutions. This workbook includes results from B.C.'s public and private apprenticeship training institutions. Please note this report does not include diploma, associate degree, certificate, baccalaureate, or developmental (Adult Basic Education, English as a Second Language, and Adult Special Education) programs.

### Data Definitions:

Information provided through BC Student Outcomes

**\* Please take caution when interpreting the results with a response rate less than 30 may not be statistically be valid.**

**Eligible Students:** Count of total apprentice completers in programs

**Respondents:** Former students who responded to the APPSO survey.

**Response Rate:** Survey completion rate of program

**Programs less than 8 respondents are excluded from Summary Outcomes individual program reports.**

**% In labour force:** Respondents in labour force, includes people who were employed as well as those who were looking and available for work at the time of the survey.

**% Employment Rate:** Those who were working in labour market.

**% Employed in a training-related job:** Respondents that were currently employed in an occupation that was either "very" or "somewhat" related to their past training. (asked of employed respondents)

**% Of those employed (in labour force):** Percent of respondents who were currently working in labour force full-time (30 hours or more per week), part-time (less than 30 hours per week).

**Previous education related to apprenticeship training:** Those respondents who took high school apprentice programs.

**% How useful have the knowledge and skills you gained from your program at your Institute been in performing your job:** Percent of respondents who were currently employed in an occupation and felt the knowledge and skills gained from their program were "very", "somewhat", "not very" or "not at all" useful.

**Average hourly wage of those in training related job (main job):** Mean (average) hourly wage of those in training related job (main full-time or part-time job).

**Jobs Obtained Related to Program:** Based on NOC 4 digit code – the National Occupation Classification (NOC) is a systematic taxonomy of occupations in the Canadian labour market. The percentage employed is the number employed in training-related occupation out of all employed respondents broken out by NOC title. Relatedness is self-declared by the respondent.

**% Satisfied with Education:** Percent of respondents who felt "very", "satisfied", "dissatisfied" or "very dissatisfied" with education received.

**% Satisfied with overall workplace training experience:** Percent of respondents who were employed as an apprentice or had a work placement outside of their institution felt "very", "satisfied", "dissatisfied" or "very dissatisfied" with overall workplace training experience.

**How related was your in-school training to your workplace experience?** Asked of respondents who were employed as an apprentice or had a work placement outside of their institution.

**% How useful have the knowledge and skills you gained from your program been in preparing you to write the TQ, CQ, or Interprovincial Red Seal certification examination?** Percent of respondents who felt the knowledge and skills gained were "very", "somewhat", "not very" or "not at all" useful.

**How long did it take you to find a job in your trade after you finished your training:** Asked of respondents who did not have a job to go back to after their training, took "less than one month", "1 to 2 months", "3 to 4 months", "5 to 6 months", or "more than 6 months".
